## TALON

Talon's design means it will fit in and outperform its dated ceramic alternative. With vibrant and eye-catching colours, Talon will stand out on the table and on the shelves, perfect range for fast paced high volume users. The corrugated profile is the main feature in significantly reducing the contact between cup and user, allowing the consumer to handle whilst hot. Allowing for flexible use.

## ORE

Clean and simple, Ore is the latest innovation from Dalebrook that will revolutionise your hot counter displays. Its stainless-steel design, greblon coated, makes it compatible with induction hobs, and its unique corner handles eliminate clashing trays and blocked food displays, giving you a seamless presentation every time. And its durable and recyclable construction makes ORE not only functional but also an environmentally conscious choice.

## LOOM

Loom is a revolutionary food display range combining a modular pedestal, platter and dome; it offers endless possibilities. Its unique design allows the dome to be flipped and attached to the pedestal, transforming Loom into clear serving bowls. Loom's sleek style and versatility make it the designer choice for any establishment.
